Learning how to code...

About me

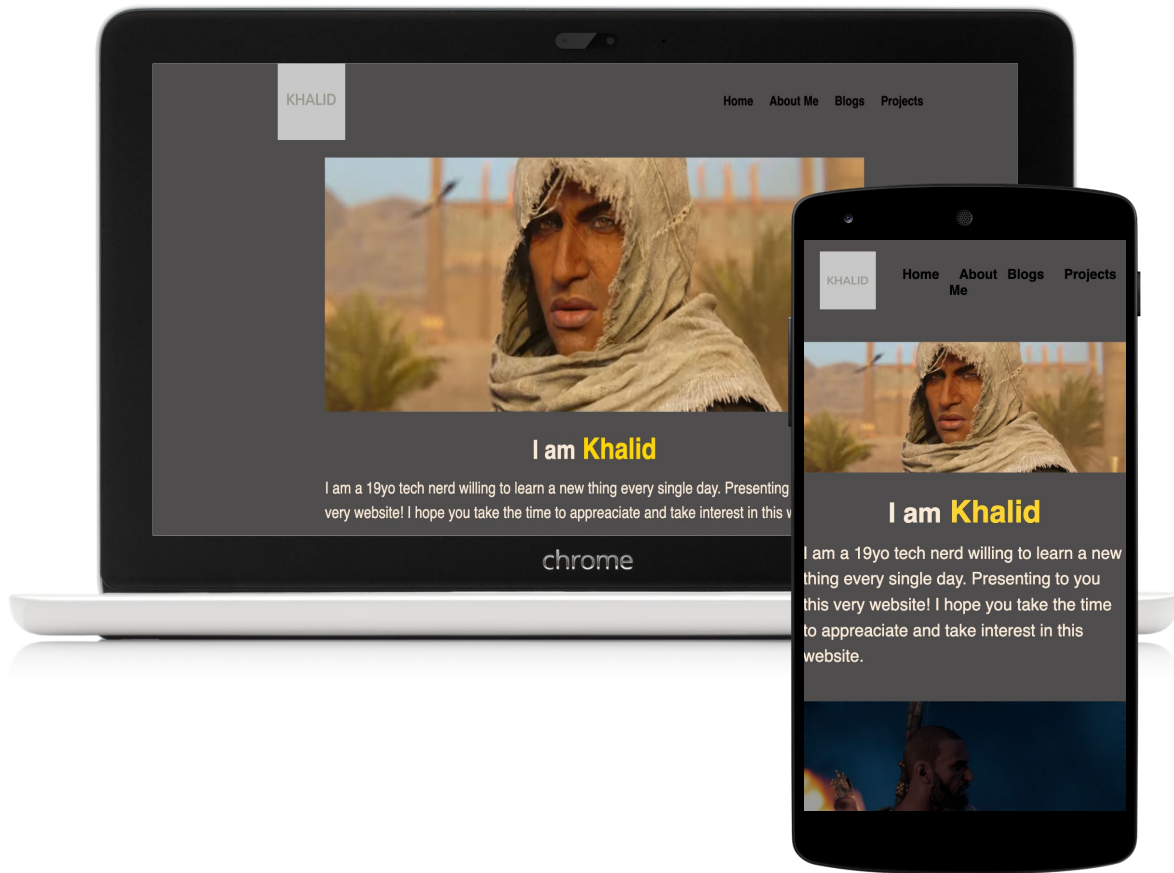

My name is Khalid Omar Hussein, I am 19yo born here in Sydney. I wanted to always learn how to program, everyone around always told me “since your always around the computer why not become a software engineer.” So I did and wanted to see what it is like to be in a bootcamp!

I created this portfolio using only HTML and CSS, this was a great learning experience for me. Most people would ultimately just give up after the first couple hrs. I tried hard to create a personal website for myself that fast and responsive.

Crypto-Currency Coin

IN 2021 during the big crypto days, I tried to make a my own cryptocurrency for fun!

I am Khalid Hussien

I am 19yo man trying to learn how to code. I love to experiment and try new things. My hobbies are playing basketball, politics, swimming and debating (I like an argument once in a while). This was the first website, I learned how to program with the help of [CoderAcademy](#) and the Internet! If you want to talk to me or contact me go ahead and
